How do I login to C-N Connect?

Click the ‘Log In’ link on the top right part of the page.

For students, your C-N Connect User ID is usually your first initial, middle initial and last name (the same as your C-N network and email account).

For faculty and staff, your C-N Connect User ID is usually your first initial and last name (also the same as your C-N network and email account).

Your initial password is the last 6 digits of your SSN. If you do not have a SSN, your initial password is your student/staff ID# (i.e. 012345, 987654, etc.). You will be forced to change your password the first time you login.
Your new password must be between 6 and 9 characters and include both letters and numbers.

**NOTE:** Your C-N Connect password is separate from your C-N network and email password.

Once logged into C-N Connect, the appropriate icon will light up for you to be able to access your institutional data.
